ANSTEN OSTBYE'S HUNTING TOURS

WELCOME TO OSTBYE'S HUNTING TOURS

A MESSAGE FROM THE OUTFITTER:

"Ostbye's Hunting Tours was started in 1991 when the iron curtain was opened to the western world, and an opportunity for quality hunting arose. We currently offer hunts exclusively in Tajikistan.

Over the past 25 years, we have developed and strengthened our position as a reliable outfitter of different hunting tours. We can point to many satisfied hunters. Many other wildlife species can be hunted with us on request.

We consider ourselves to be a reliable outfitter and we are ready to meet demands of every hunter. Should any of our hunting trips be of interest, do not hesitate to contact us.

Real hunts are all about life, not just a trophy but the adventure! "

- *Ansten Ostbye*

MARCO POLO ARGALI IN TAJIKISTAN

MARCO POLO ARGALI (*Ovis ammon poli*)

The hunt for Marco Polo is considered the most exclusive hunting experience today.

The hunt will be in Tajikistan. Hunters are provided air transportation to Bishkek and Osh.

Then will be taken by car from Osh to Pamir Mountain, often called the roof of the world.

Hunting is arranged in mountainous territory and there are no special physical requirements over the ordinary.

Base camp is located 12,000 feet and there we will stay in cabins.

Hunting terrain can stretch up to 15,000 feet.

Each hunter will have his own guide. Hunting is done by stalking. The tour will take 10 days, of which the hunt is 7-8 days.

Hunting tours can be scheduled within the period of September to March.

MID-ASIAN IBEX IN TAJIKISTAN

MID-ASIAN IBEX (*Capra sibirica alaiana*)

Tajikistan is mostly known for its fantastic mountains, Pamir is often called the roof of the world. It is hard to imagine this strange beauty. Only by traveling through these breathtaking mountain areas can you experience it. There are no special requirements for the hunter's physical form over the ordinary, although hunter must plan on climbing in mountainous terrain.

- Ibex trophy quality is exceptional in this area.
- Base camp is located 12,000 ft and there we stay at night in cabins.
- To get the best trophy we may climb up to 15,000 feet.
- Each hunter has his own guide at his disposal and we move in hunting area by feet and by horseback.
- The tour will take 10 days, of which the hunt is 8 days.
- Hunting trips can be scheduled within the period of September to March.
